

## InDev Specialists

*Church security advisors: Preparing you to deal with the unexpected*

**InDev Specialists, Inc., (InDev)**, provides training and advisory services to churches and religious organizations in dealing with unexpected emergencies or hostile situations. InDev helps you prepare to effectively handle medical emergencies, weather events, fire (and other evacuation incidents), and security related situations.

InDev consultants are experts with years of international security operations experience. We offer our proprietary active shooter and violence prevention training series *ASSIST*<sup>®</sup>.

The following is a few of the services and training opportunities offered by InDev. We can offer these programs as standalone courses or in a progressive series uniquely designed to meet your church's needs.
